

# Can we recognize the AntiChrist?

# Yes.

## TIM COHEN

reveals hard evidence.

*A miniature  
version of a four meter  
high statue to be erected in Brazil  
hails this prince as "Savior of the World."*

THE ANTICHRIST AND A CUP OF TEA presents the fascinating saga of the British Monarchy's centuries-long endeavor to establish a "New World Order," and gives hard evidence to suggest the identity of the AntiChrist.

"Challenging, informative, and timely, Tim Cohen's material is must reading!" — *Gary Kah*

"[Tim Cohen's book] is the definitive and authoritative word on the coming of the AntiChrist." — *Brett Wills*

"thought-provoking, riveting" — *Dr. Larry Bates*

"His attempt to integrate the best points of virtually all major schools of prophetic interpretation is...unprecedented in modern times — and he carries it out with remarkable success." — *Dr. Gary Hedrick*

Also endorsed by *Dr. Ray Brubaker, Dr. Daniel Juster, William Schnoebelen, and others.*

"A lot of prophecy books cross my desk, but this one—this one—you have to get.... [The] premise is provocative and...[the] book is historically fascinating, and it's far more illuminating than many.... [Moreover, it] exhaustively documents a possible identity of the coming world leader, and we find the book...an absolute jewel.... I am profoundly impressed...." — *Chuck Missler*

"Provocatively titled, this book should become the object of the fascination of many...." — *Dr. David Breese*

"For the first time, the average person can understand the organizations that are already in place that will allow one man to control the world. This book is must reading for those who desire to understand the real power brokers behind the New World Order." — *Sid Roth*

"the magnitude of your work staggers the mind, and at the same time challenges my thought processes, and presuppositions" — *Ken Klein*

"Rarely has a book been so thoroughly researched! The uniqueness of Tim Cohen's work is the way he brings so many facts together.... The historical 'connections' are worth the price of the book alone." — *Dr. David Hocking*

"a fascinating book that connects the history of the royal family of England to end-time prophecy...." — *Dr. Noah Hutchings*

"I was highly skeptical that anyone could know the precise identity of the AntiChrist before he arose on the world scene.... However, by the time I was two-thirds of the way through the book, I was convinced that [the] AntiChrist would come from the British Monarchy....

Tim Cohen...provides overwhelming evidence, including heavy AntiChrist symbolism, that proves his point beyond reasonable doubt.... [This is a] monumentally important book.... Once you understand what Cohen has to teach you, you truly will look at the events of the day differently." — *Dr. David Bay*

"[T]his book is one of the most captivating studies on the British Monarchy's leadership involvement with the occult, world wide Freemasonry and the New World Order that you could imagine." — *Ed Decker*
